

Focus™ 300

In-ear sport headphones with mic/remote

Behind-the-ear, sport earphones with TwistLock™ Technology.

Let your music motivate you with exceptional sound that stays put. TwistLock® Technology and FlexSoft® Comfort Fit guarantee these sweat-proof behind-the-ear sport earphones will never fall out or hurt, while JBL® Signature Sound with PureBass Performance creates superior sound quality and our exclusive QuikClik™ Tangle-Free Magnets make them easy to wear and store. JBL® Focus™ 300 also features a microphone with one-touch music and call control compatible with most smartphones. Made to move, just like you.

Focus™ 300

In-ear sport headphones with mic/remote

Features and Benefits

Sweat proof

Developed for training in any conditions, the JBL® Focus™ 300 endures through rain, water, and sweat.

TwistLock™ technology

Our patented TwistLock™ technology provides a secure fit, ensuring these headphones never fall out even during the most rigorous physical activities.

FlexSoft™

Guaranteed never to hurt, these headphones are made with ultra-soft flexible silicone for long-lasting ergonomic comfort.

Ambient Aware

Ergonomically designed to allow in ambient noise so you're aware of your surroundings during active use.

Quick Click® Tangle-free magnets

Quick Click tangle-free magnets make your sport earphones ready to wear and ready to store anytime.

Microphone with music and track control

The sweat and water resistant 1-button microphone system provides a new level of convenience for the multi-tasker. Through the click of a button, you're able to control phone calls and music tracks without breaking from your work-out. Compatible with most smart phones.

JBL Signature Sound with Pure Bass performance

For over 70 years, JBL has engineered precise, naturally articulated sound found in high-end cinemas, arenas and recording studios around the world.
