PARTYBOX310MC

Portable party speaker with 240W powerful sound, built-in lightshow and wired mic

Features and Benefits

Powerful JBL Original Pro Sound

Around the block or across the beach, make your party heard with 240 watts of big JBL Original Pro Sound. Sing, rap, strum — then turn up the bass and watch the dance floor come alive.

Light up the night

Mesmerize your crowd with a dazzling, dynamic light show that dances to the beat. With subtle pulsing and powerful strobing effects, there's a setting for every vibe.

Sing along to your favorite tunes

Turn the JBL PartyBox 310 into a live karaoke party machine with the bypacked wired mic. Easy plug-n-play setup lets you instantly sing along to your favorite tunes.

18 hours of playtime

Go from the opening act till way past sunrise with 18 hours of music-blasting battery life. Want to party longer? Just plug the JBL PartyBox 310 into an outlet and dance the weekend away.

Take it anywhere. Party everywhere!

Who says only clubs have big sound? With a telescopic handle and built-in smooth-glide wheels, you can take the party from your patio to the park — and everywhere in between.

IPX4 splashproof

Take it from a backyard dance party to a poolside bash. Crafted with IPX4 splashproof protection, the JBL PartyBox 310 keeps the music going — rain or shine.

Get loud. Really loud.

Connect compatible speakers wirelessly via TWS (True Wireless Stereo) using Bluetooth connection up to 2 party speakers or wired via one Aux output to another.

PartyBox app

From the DJ booth to the chill-out area under the trees, control your party from your phone with the PartyBox app. Switch tracks, change up the light show, control karaoke features and more, all with a just a few taps and swipes.

Stream your tunes, your way

Songs. Playlists. DJ mixes. Play whatever you want, whenever you want, from your smart phone or other Bluetooth-enabled device. All you need is the music — and the desire to play it loud.

Take a stand. Up with great sound

Take your party up a notch — literally. The JBL PartyBox 310 is compatible with most speaker stands, so you can raise it off the ground for more visibility and even better sound. (Speaker stand not included).

*18 hrs battery playtime is only a reference and may vary depending on music content and battery aging after numerous charging and discharging cycles. It's achievable with a predefined music source, light show switched off, volume level at 18 and Bluetooth streaming source.
